

## Like a stone

♪ 53

I'm sitting in my car, hands on my phone  
I call you at night, please let us talk about it  
don't push me away, let me know how you feel  
I'm so alone

### **REF:**

You are like a stone, so hard and so cold  
why do you hurt, hurt me, i'm so alone

I'm standing in the night, snow around my feet  
you don't open your door, why don't you let me in  
it's very very cold outside and inside myself  
I wanna feel your warm breath, please let me in

### **Bridge**

I don't understand, why you hurt me so  
I don't understand why you don't call me now  
I don't wanna have this pain again, not anymore not anymore  
Please give me a call and tell me what you're looking for  
don't hurt me again, don't hurt me again

### **REF:**

You are like a stone, so hard and so cold  
why do you hurt, hurt me, i'm so alone

I'm driving through the night, tears from my eyes  
running across my face, but they can't wash away my pain  
I cry out in my car, I am driving home this night  
I feel so alone, and I cry
