

# Music in my Heart

J 107

I'm standing on a street, I wanna go but I'm asleep  
I don't know what it is, I can't move away from here

## **REF:**

But there's music in my heart, in my soul, in my body  
But there's music in my heart, in my soul, in my body

There's a light in front of me, a headlight I can see  
I wanna go there to be on stage, please wait for me, wait for me

## **REF:**

Cause there's music in my heart, in my soul, in my body  
Cause there's music in my heart, in my soul, in my body

## **Bridge:**

I wanna know, I wanna go, I wanna wake up in the morning  
I wanna know, I wanna go, I wanna wake up everyday

## **REF:**

Cause there's music in my heart, in my soul, in my body  
Cause there's music in my heart, in my soul, in my body

everywhere I go, yes I know
